Conclusion Report by Jesper SONDERGAARD

A total of 31 women and 32 men from twelve countries participated in the 9th European Deaf Badminton Championships. It was good to watch so many exciting and competitive matches throughout the Championships. I can see the badminton standard level was high which looks very promising for future deaf badminton events.

Communications with the Organising Committee (OC) went well in the run up to the badminton event to ensure preparations on the checklist were completed on schedule. The facilities at the venue were of high standard allowing the players to enjoy playing their matches, with live video streams covering all the courts at various stages. Palanaga is an incredibly beautiful place with satisfactory hotels and for players and officials to relax and recover after their matches. Transport services throughout the week were excellent from the moment of being picked up at the airport right up to my departure.

I would like to thank everybody involved from the Board to Staff of Lithuanian Deaf Sports Federation for hosting the 9th European Deaf Badminton Championships. Communications with EDSO Representative Niall Fearon, Organising Committee, Badminton leaders and TD's, interpreters were fantastic. Big thanks to all of them!

I would also like to thank the Lithuania Badminton Federation for supplying the referees, umpires, lines umpires, media, and medical staff for their collaboration to ensure the tournament went smoothly. With a small number of staff and volunteers, they worked extremely hard putting in the long hours. Their generous help and wonderful efforts were much appreciated. I hope they enjoyed their experience collaborating with us too.

During the second TD meeting Austria showed their interest to host the next Deaf European Championship in 2026. Just to add 5 other countries have also shown their interest so it looks positive that several countries are keen to put in their hosting bids. I look forward to receiving the bids and will make preparations for the next event.

Wish all the players to continue playing badminton and look forward to seeing you again at the next European Deaf Badminton Championship in 4 years' time.
